HONGKONG JUNE 28TH, 1882.

ALTHOUGH in many, perhaps most, matters Hongkong could usefully take example by her northern neighbour, it would seem, according to the papers of the Model Settle- | maker named Wong Asing. The man lodged ment, that the Police there are far less in Tank Lane, and appears to have been in the effective than the guardians of the peace fresh air. On Sunday he was upon the roof, and prove here. Such an incident as the follow- though no one was discovered who actually saw ing related by "Bystander" in the N. C. sitting on the parapet, and fell ever, for he was Daily News of the 23rd instant could picked up dead in the street below. It is prohardly, we think, happen in our streets, bable he fell asleep as he sat there. The unfortunate man had a fall of over forty feet. The and we hope there are few Europeans here who would calmly enact the inactive |-The second inquest was upon the body of a part which "Bystander" appears to have taken in the affair. This correspondent the harbour at about 10.90 yesterday morning. says :- "In passing Tuesday night a Chi- Re could find no one to claim the body, and he "nese Restaurant called the 'Fu Hein Yuan' "situated on Canton Road, I saw a young "Chinese girl forcibly abducted, as she was " getting into berchair, by half-a-dozen men. "who rushed upon her, and knocking down "the maid-servant who accompanied her. "carried the girl into a carriage apparently "engaged for the purpose, and which thea "rapidly rolled away despite the endeavours "of the maid-servant and chair-coolies "to restrain the girl from being carried The whole affair took about ten "to fifteen minutes. Now where were the "police all this time? Not the slightest "trace of one was visible. We boast of this "settlement as being the Model Settlement, "where law and order reign supreme. Is "this a specimen of it?" There is clearly some defect in the constitution of the Police Force in Shanghai; it is either deficient numbers or the members are not judi-

clously distributed. "Bystander" also makes a further charge against the Police, for "impelled by ouriosity " he went on with the crowd that followed the maid servant, until two or three policemen arrived on the scene. one of whom he recognised as a notorious character who some time age had been dismissed the Force for "grave misdemeanours." an individual can have found his way back service like that of the Police for misconduct it is the height of folly to take him back.

The work of a policeman is irksome, trying.

and responsible. He should be well paid and liberally treated in all respects. while any display of exceptional sugacity, courage, tact, or energy should be suitably commended or rewarded as the case might demand. Coneiderable temptations beset the policeman MANY and CHINA, a translation of the TREATY every part of the world; and among a Chinese between SPAIN and Annam signed in 1880 &c., population they are unusually powerful, for generally as to its geology and as to the economic the constable is constantly invited to be blind. RESIDENCE has been increased by upwards of or deaf, or dumb to various matters, which duty calls upon him to see, to hear, and to condemn. In Hongkong we have had frequent instances of Chinese prisoners endeavouring to bribe the constables, and we remember several cases which do the utmost honour to the men who refused to be bought. We fine himself to general observations as to the do not pretend to claim that the Hongkong physical description of the country. Police are perfection or that they are always. to be found when wanted; in the day time they are often too conspicuous by their absence when their services are needed, but the Force is not up to its full strength, and the night duties here, since the Wing Lok Street may be mentioned here that the prospector was fendant. affair, have been extremely heavy. We are a most intelligent man named Chon Giek, who pages of printed matter. It is indispensable glad to note that a new contingent of Eng-resides in Amoy, and who has been engaged for lish constables has been engaged by Captain | the past nine years in exploring the country, will be found a useful vade mecum to those tra. A TRIP IN FORIEN OBBERVATIONS OF THE COUNTRY AND SOME NOTES ON THE PHYSICAL GROLOGY OF A

POBITION OF THE PROVINCE That portion of Fokien which the writer had an opportunity of visiting during a recent journey made in the above province may be considered to be contained between lat. 240 30". and 25 0 60' N., long. 117 0 30 and 118 0 10' "Bystander" naturally asks how it is such | E. but from the absence of any reliable, or in doed any, map of the northern portion for about into the service. There are black shoop in 50 miles, the harried manuer in which the every flock, drones in every hive, but traverse had to be made, and the difficulty of surely if a man has been expelled from a taking my accurate geodesical measurements the positions given have no protension to absolute

Premising thus, the writer was invited by the Chinese authorities at Foschow-foo, conveyed through the eminent Chinese bibliographer and scholar the Rev. Dr. Macgowan, of Amoy, to make an inspection of a portion of the province contained in a roughly alliptical loop of the northern portion of the traverse with a major axis east and west of about 35 miles, and a miner axis north and south of perhaps 25 miles, to report value of certain voius and lodes of various metals. and also as to the desilopment and extent of

At this point it must be at once stated that the writer is precluded, for the present from publishing any conclusions arrived at regarding the coonomic value of working the several metallic veins and coal measures, and must con-

Last month (May) a party consisting of mandarin of rank and the writer, (the only European or foreigner) accompanied by a prospector, an interpreter, cook, boys, chair and baggage coolies, (in all eighteen individuals), started on this mission into the interior. It the Authorities, he may be regarded as the prime mover in the matter, but from his want of any scientific knowledge of geological conditions of any wort his investigations were metalliferous veius or lodes and the outcrops of coal where exposed by faults or denudation. These investigations were of a most laborious nature, as he had jealously to conceal from the inhabitants what his objects were, they, On the motion of the Attorney-General Mr. the people of the country, having violent preju-F. H. O. Wilson was yesterday admitted an dice or superstiti in against removing any of the hamboos, and getting some other constables he rook, and no amount of immediate or prospective arrested the four defendants. remuneration would induce the several owners permit any one else to undertake, the excavation inst. or removal of any portion of the rock or earth. The Superintendent of the Eastern Extension In the present instance, should any further procooding be taken in the matter it must be done by the direct orders of the Vicercy or the Central Government at Peking, who have power to resume pessession of the land for the purpose of mining; 14 days' imprisonment, and the second was disof course making compensation to the proprietors | charged. fer so deing .-

The mission upon which the writer was sugaged occupied twelve days, viz., seven days outwards, and five days returning. The The two men in custody on suspicion of having party proceeded by a junk from Amoy about sixty miles W. by N., thence by sampans Court, on romand, yesterday. Inspector Swanston sbout 40 miles to Yang-on, a town W.N.W. sion. On seeing the complainant, the man threw of Amoy; having brought chairs with them, the clock down and ran, and finding be was fendant, and he applied for a remand till the the journey was continued due North, and pursued, he turned round and threw a stone on the second night they arrived at the which struck the complainant on the head. A was discharged, and the first was remanded for most advanced mission station in that part of constable arrested the defendant. The man had the province called Pou-thaw-chi. Still con- been in the complainant's employ about two tinning nearly directly North in a general direc- months before. tion, at the same time considerable detours had to be made, the country being one mass of high mountains, which required to be skirted, and many considerable rivers had to be crossed. This continued for about 70 miles north of Yang-on. Up to this the route was the ordinary one travers. Mahomet Hassein, on the 26th instant. ed by the pe ple and although but a rough path, it answered the purpose well enough. At this point opium divan, and the defendant woke up first. a new departure had to be made, as the region and went away. When the complainant woke for the investigation had been arrived at, which up, he found his pocket out and his money gone. Captain Fryer, of the steamer Hongkong, re- traces of paths, and often for many miles having him, and meeting him in the street, gave him ports as follows to the Shaughai papers: - Left up track at all. Proceeding westward for about into the quatody of a constable. Hongkong on the 14th with a heavy gale from 20 miles, thence northward about 20 miles, thence There was no evidence against the defendant, N.E. and high sea, which obliged us to anchor eastward about 35, miles, returning in a S.W. and he was discharged. enced heavy rain and wind from all points to about 40 miles from Yang-on, and thence by Ng Afuk, was fined \$5, or in default 14 days Turnsbout; from thence to Hacaban we encoun- water to Kulangan. POLICE COURT.

27th June.

BRIORE CAPT. H. G. THOMBETT, B.N. CHARGE OF ASSAULT AND ECREEK. I i Asow, barber, was brought up on a charge of having been concerned with three others not in oustody in assaulting a woman named Li thung Mul, and stealing a pair of gold carrings from her of the value of \$12, on the 26th instant. The complainant lives at Yow Mah Tee; and she said that on Monday evening the defendant and three others paid her a visit. After they had been there some time she told the defendant to go home, and the went to her street door.

when the four men seized her, and snatched her earrings from her cars. The defendant said the house was a sly brothel, and in consequence of a quarrol there, he left the house. He knew nothing about any earrings. The complainant's tale was corroborated by another woman living in the house, but the complainant's cars showed no signs if violence, The defendant was ordered to flud two surotles of \$20 each for his good behaviour for a month, or in default to be committed.

DISORDERLY CUSTOMBES. Ho Akat and another man and weman were charged with having made a disturbance in the house of a woman named Ng.a Ng. damaging property there to the extent of 15 cents. The woman said that the second and third dofendants, who were husband and wife, gave her their daughter to adopt as her own. On Monday, the first defendant came to the house and said be wanted the girl. She refused to lat him have her, and he therefore called her a kidnepper, and broke some plates. She sent for a constable, and before he arrived, the second and third defendants came in, and she gave them all into eastedy. The second and third defendants were discharged, and the first was fined \$5, or in default 14 days' imprisonment.

UNLAWFUL POSSESSION. Lum Asum, coolie, was sentenced to 14 days imprisonment for unlawful possession of a jacket, value 40 cents, on the 26th inst. A constable saw a man not in custody hand the jacket to the defendant, and both then ran off, and he thereupon chased and caught the de-

ATTEMPTED HOUSEBBEAKING. Lum Afat, seamon, was charged with having attempted to break open the room of one Lum Afata on the 26th inst. The complainant is a money changer, and

while an assistant of his was in the shop, he heard

a noise upstairs. Going up, he found the de-

fendant endeavouring to force the look of his Ordered to find two suraties of \$50 each for confined cutirely to the surface appearance of his good behaviour for six months, or in default

LOCAL AND INDIAN PARCEL POST 1.—Small Parcelsmay be sent by Post at Rock Rates between Hongkong and any of the British Post Offices in China, as well as to Japan, Macao, Pakhoi, the Straits Settlements, and India, They must not exceed the following dimensions, STARLIGHT. Sinmeso bark, E. Moller.-Yuen 2 feet long, I foot broad, I foot deep, weigh more than 5lhs., nor be smaller than 3 in. by 2 in. by bear this special endorsement. Parcel, containing no letter, but any parcel may be opened by direc-tion of the Postmaster General. In the Case of value is required, a printed form for which is supplied gratis. The Registration of Parcels for India is compulsory.

Persons who send Musters of Tea through tion to our present Stocks in the Godowns of the Post in Tine are requested to have them Messre. JARDINE, MATHESON & Co., and Messrs. made flat or square instead of round, as it is impossible to pack round tins securely in the mail bags. It is believed that the tea will traval more safely in flat time, which are not so liable as round ones to be bulged in. 4 by 8 by 14 inches is suggested as a good sise. The tine should not have sharp corners.

## EXTRACTS.

THE SARBATH. [Sidney Smith pronounced the following connet on of the most beautiful in the English language.] With silent awe I hail the sacred morn, Which slowly wakes, while all the fields are still A southing calm on every breeze is borne, A graver murmur gurgles from the ril; And noho answers softer from the hill, And softer sings the linnet from the thorn. The skylark warbles in a tone less shrill. Hail! light scrone; hail! sacred Sabbath mora The rocks float silent by in airy draves; The sun a placid yellow lustre shows; The gales, that lately sighed along the groves

Have hushed their downy wings in award repose

The hovering mak of clouds forgets to move.

So smiled the day when the first more arose.

OWNED TO HIS RECORD. The editor was sitting in his revolving cane-bottomed chair when Tornado Tom, the travelling terror of Texas, came in and demanded retraction of the statement that he had swindled an orphan out of 4 dols. a lie clear through," said the Terror, strik- a marriage, having once been appropriated ing the table with his fist. "I'm as good a to the Pope, became a source of extraordinary man as smells the atmosphere in this section." "Perhaps you are better," said the ed phrase that the independence of England editor, meekly. "My record'll compare from the Papal power was effected chilly by favourably with yourn," said the Terror, with a sucer; "perhaps there are a few little hack rackets in your life, air, that wouldn't. hear a microscopia investigation." "Oh, expected to legalise divorce by a temporal trisir," said the editor, visibly agitated, "don't bunal, more especially as Milton had written re-call the past; don't bring up the memories one of his most effective works in favour of such of the temb; I know I've led a hard life-I a scheme in 1644. DIVORCE LAWS.

The French Legislature is now at last reestablishing the practice of divorce which, to quote the saying of a famous and impartial writer, " has never really made its way into French society, even at the time when it was most freely admitted by law." It must certainly be confessed that this statement is supported strongly by the history of former attempts to legalise the practice. In 1830 the Revolutionists who had subverted the minds of the editors and printers closely Bourbons, and founded what was called We prefer to punctuate all manuscript sent We prefer to punctuate all manuscript sent in restoring the freedom of divorce in some to us. And don't use capitals. Then we shape or other, although it was open to question how, many guarantees or modifications and your article, when you see it in print, House would be appended to the expected new law.

Accordingly, no time was lost in introducing. Don't try to write too plainly. Poor writing Accordingly, no time was lost in introducing Don't try to write too plainly. Foor writing to the Lower House a bill for legalising is an indication of genius. It's about the divorces. It was, moreover, passed by the only indication of genius that a great many House of Representatives on more than one men possess. Scrawl your article with your occasion in the years following that Revolu- eyes shut, and make every word as illegible tion. But the House of Peers invariably re- as you can. We get the same price for it jected the bill when sent up to it for adoption, and successfully defeated all the profortunate result obtained by the promoters full name of every man, woman, and child of a similar measure in 1848. The tide of in the United States, and the mere bint at public feeling ran too strongly in favour of the name is sufficient. For instance, if you indissoluble marriages, and showed that the House of Peers had quite rightly interpreted the sentiment of the nation in 1830. partly, no doubt, because the Church has been weakened of late throughout the country; but also, and still more surely, because to the top of the page, closing your article by writing the signature just above the date.

How we do love to get hold of articles writing the signature page, closing your article by writing the signature just above the date.

SAIL-MA people have had time to forget the grave 90 years ago.

by a certain Dubayet, whose law passed the Assembly on the 20th of September, 1792. de corps et de biens, which has now been in paper in your pocket and carry it two or Hongkong forceagain for 66 years, was entirely abolished, and divorce was made the sole means of obtaining a separation between husband and wife. The decree of divorce was also made obtainable upon the most vagues and easy grounds, including mutual consent, so that, practically speaking, the law allowed any one "who chose to quit the married state. In the two or three years following the time when the Act was passed an innumerable multitude of married persons, cast off the yoke on the old sayings as Shakespeare's "Maids want most flimsy and absurd pretexts, and marri- nothing but husbands, and when they have age, as an institution, was thrown into almost them they want everything." We cannot complete discredit. La Harpe, amongst tolerate the Italian sayings like, "He that other persons, got a divorce for "incompati- leseth his wife and a farthing hath a great bility of tempor" in 1793, and there were loss of the farthing," and the late Popo's THE L numerous instances of a dissolution of mar. exclamation of delight at the "inscrutable ringe effected simply in order to enable the ways of Providence" when he heard that husband to swindle his wife out of her dowry. Father Hyacinthe had married. Something The Imperial Legislature dealt, with the too much of Ovidian metamorphosis lingers in Hongkon subject in a way which has commanded as round the sentiments of the land of his the Philippi much admiration as any other part of the birth. We like a little better the good Ger-Napoleonic Code. - Judicial separations were man flavour of Schiller's, "With soft perreintroduced for the benefit of those religious suasive prayers woman wiles the sceptre of persons who shrank from divorce on con- the life she charmeth," or Steadhal's "Woman scientious grounds; but the latter proceeding is a delightful musical instrument of which was also recognised, though only upon pro- love is the bow and man the artist;" but we per and sufficient grounds and with effective feel that we have got beyond it, perhaps guarantees against abuse. The Act, which beyond even Necker's " Woman do not often was passed in 1803, had been preceded by a have it in their power to give like men, but careful inquiry made by a commission; and they forgive like angele." The French ones the report of the commission illustrates in a are more amusing, but very often more THE striking way the enormous scandals produced irritating too. What woman could endure by the licence of preceding years. So great Balzac's "The first thing necessary to win was the influence of these revelations upon the heart of a woman is opportunity," or Is the best respectable society in France, that even the Dumas' "The wisdom of woman comes to modified practice permitted by the Code was them by inspiration; their folly by premedideemed a step too far in the direction of tution." But Hugo's "One only needs to lation of a liberty, and when the Bourbons were restored, see a smile in a white crape bonnet to enter China there was more satisfaction than disappoint. a palace of dreams," and Segur's "Men say Chinese Se ment, even amongst many of the Revolu- of women what pleases them, but women do LIABLE Co. tionary party, at the total abolition of divorce with men what pleases them," might have Terms for which occurred in 1816.

in Rome it was for a long time only the husband who could get rid of his wife. In the later Roman legislation, divorce meant a dissolution by the consent of both, whilst "repudiation" was the word for a dissolution at the instance of one alone. the latter days of the Republic practice had become extremely common, of this Powder is extraordinary, and no one need Thus, Pompey divorced his first wife so as be troubled by those pests. It is perfectly clean to marry a grand-daughter of Sylla, and on in application. Ask for, and take no other then effecting a treaty with Casar, got rid of her "KEATING'S POWDER," as imitations are in order to marry the daughter of his new When the pair of generals quarrelled, he in turn disinissed the Lady Julia, and remarried a young girl of the Scipio family. In the Imperial times, St. Jerome mentions the case of a woman who had had twenty-two | Bottled at the Seltzer-Spring near Gross Karhusbands. The woman montioued in Scripture as having had ten husbands is an example of the prevalence of the practica amongst the Syrian peoples—a practice which Christianity for the first time absolutely discouraged. It is not surprising that the ecclesiastical courts should, in the Middle Ages, have derived an immense deal of power from matrimonial cases. The prerogative by Messrs. KYNOCH & Co., of WITTON, near of sanctioning a divorce, or rather annulling. influence in the Holy See; and it is a backney-Henry VIII.'s grand dispute as to his divorce from Katharine of Aragon. The revolution of the 17th century in England might have been

Amongst other countries, the example of CEABWINCH, I JIB CRANE, I TURNING LATHE, the men I have placed in its maw I would the United States is often quoted as the best 2 Biscuit Machines, 1 Copper Cooking unbappy memories; but its mean for all vorces are almost, if not quite, unknown. in sizes i that. Nobody with a heart would treat a In Virginia and Kentucky the Legislature alone can dissolve marriages; and in Georgia, I'll tell you all. I sawed a man's head off | Mississippi, and Alabama the decree for dissolution must be passed by the assent of two-thirds of each branch of the Legislature, round the corner, while the editor, taking a and founded upon a previous judicial investigation. But in the other States a much By Ap greater latitude is allowed, and in some the NEDY, licence of repudiating wives and husbands GRAND is carried to an absurd extent. Ill usage, habitual drunkenness, malicious absence, or conviction for a grave crime, are all admitted in one or other State as sufficient causes; Empir and in Illinois, the courts are authorised to of the decree divorces "if they should be satisfied | CHOW, of the expediency of doing so."-Globe.

ADVICE TO CORRESPONDENTS. Never write with pen and ink. It is altogether too plain, and doesn't hold the from the ragman as though it were covered with copper-plate sentences. Avoid all painstaking with proper names. We know the write a character something like a drunken figure "S," and then draw a wavy line, we We will know at once that you mean " Samuel know that in these past years that current Morrison," even though you may think of feeling has still been exceedingly strong, you mean " Lemuel Messenger." Always and has staved off for a long time a social write on both sides of the paper; and when change which seemed imminent on many you have filled both sides of every page, trail occasions. If the bill has now passed, it is a line up and down every margin, and back scandals which followed upon the legalisa- get hold of the man who sends them. Just tion of divorces in the Great Revolution of for ten minutes! Alone! in the woods with MANILA a cannon in our hip pecket! Coarse, brown LIFE BU wrapping-paper is the best for writing your soluble marriages was first successfully made articles on. If you can tear down an old In that Revolution the attack upon indiscircus poster, and write on the pasty side of it with a pen stick, it will do still better. When your article is finished crush your three days before sending it. This rubs off the superfluous pencil marks, and makes it lighter to handle. If you think of it, lose one page out of the middle of your article. We can easily supply what is missing, and we love to do it. We have nothing else to do. CHINA

-Burlington Hawkeys. WIT ABOUT WOMEN

POLITIC

We feel that we have outgrown such musty been written on this side of the water. Some Divorce was even in very early times a of the English ones come nearer home, though

practice against which the French were prone they are not wholly free from exasperation to set their faces. Although it was practised to feminine ears. Jerrold's "Such beautiful by Charibert, Chilperic, and Charlemagne, lips-man's usual fate-be was lost upon these kings were thought to have acted rather the coral reefs," may pass as a flattering in an arbitrary than a legal way in repudiat. slur upon the longed-for fate; but Haliing their wives. Then several of the first burtons's "Every woman is in the wrong Sovereigns of the Capetian dynasty had des- until she cries, and then she is in the right perate quarrels with the Popes on the same instantly," is unendurable, and we need the subject. These altercations came to a head solemner tone of Beaconsfield's "Nothing in the time of Philip II.; and when that is of so much importance to a young man as King, without rhyme or reason, repudiated to be well criticised by a woman" to recon-Ingelburga of Denmark, the kingdom was cile us to our consinbood. Our American laid under an interdict, and Philip was com- authors understand life better.
